

Government of Goa Inspectorate of Factories and Boilers Altinho, Panaji, Goa – 403 001

Introduction:

The Right to Information Act, 2005 has been assented to by the President of India on 15.06.2005 and was published in the Gazette of India, Extraordinary Part II, Section 1 dated 21.06.2006 and republished in the Official Gazette of Government of Goa, Series I, No. 14, Extraordinary dated 07.07.2005.

The provisions of sub-section (1) of section 4, sub-sections (1) and (2) of section 5, sections 12, 14, 15, 16, 24, 27 and 28 came into force at once, that is with effect from 15.06.2005 and the remaining provisions of said Act came into force one hundred and twentieth day of its enactment, i.e. on 13th October, 2005.

Section 4(1)(b)(i)

PARTICULARS OF ORGANISATION, FUNCTIONS AND DUTIES

Name of the office :- Inspectorate of Factories and Boilers

Address :- Altinho, Panaji, Goa – 403 001.

Head of the Department -

Chief Inspector of Factories & Boilers and Ex-Officio Joint Secretary

Shri P. Pravimal Abhishek, IAS

Functions:

The main function of the Department is implementation of the Factories Act, 1948 (Central Act 63 of 1948) and the various rules made there under, The Boilers Act, 1923 (Central Act) and the various rules & Regulations made there under and part implementation of the Manufacture, Storage & Import of Hazardous Chemical Rules, 1989 (central rules) framed under the Environment Protection Act, 1986.

This office was bifurcated from the office of the Commissioner, Labour and Employment in the year 1984 and was established as a separate Department, being the competent public authority to enforce legislations pertaining to safety, health & welfare of the workers working in the factories and safety of the boilers. Subsequently with the enactment of Environment Protection Act, 1986, powers to implement certain provisions under the said Act were vested with the Chief Inspector of Factories & Boilers.

Details of the sanctioned and existing strength of the department are as under:

Sr. No.	Designation	Sanctioned No. of posts	Existing strength (as on 31.07.2023)	Pay Scale (As per VII CPC)

Nodal Department – There is no separate Ministry in the State Government pertaining to this Department.

Reporting to which authority – Head of the Department i.e. the Chief Inspector of Factories & Boilers who is also Ex-Officio Joint Secretary reports to the Administrative Secretary and Hon'ble Minister for Factories & Boilers.

Jurisdiction - All the factories in the State of Goa falling under the purview of the Factories Act, 1948 by definition or by virtue of notification and all the boilers in the State of Goa falling under the purview of the Boilers Act, 1923, as amended from time to time.

Objectives – Fulfilling the mandate assigned in the Factories Act, 1948 (Central Act 63 of 1948) and the various rules made there under, The Boilers Act, 1923 and the various rules & Regulations made there under and the Manufacture, Storage & Import of Hazardous Chemical Rules, 1989 (central rules) framed under the Environment Protection Act, 1986.

Vision & Mission – The aim is to bring out the salient features of the above three legislations which are enforced by the Inspectorate of Factories & Boilers, to explain the steps to be followed to comply with the provisions and to change

the attitude of management and employees towards the Inspectorate as a facilitating organization rather than an enforcing agency.

Details of services provided / duties -

The Factories Enforcement Section -

This section is responsible for implementation & enforcement of The Factories Act, 1948 & the rules made there under and The Manufacture, Storage & Import of Hazardous Chemicals Rules 1989. Services provided / duties include:

- Approval of factory plans
- Registration & grant of factory license.
- Renewal of factory license
- Amendment of factory license
- Transfer of factory license
- Approval of Notice of Period of Work for Adult Workers
- Issue of Certificate of Fitness to Young Person
- Routine inspections of registered factories
- Inspections for new coverage of factories
- Attend complaints
- Investigation of major accidents, dangerous occurrences and notifiable diseases reported.
- Furnishing updated data pertaining to the factories declared as Major Accident Hazard installations to the Ministry of Environment, Forests & Climate Change, Govt of India and to the District Disaster management Authority for updating District Off Site Emergency Plan.
- Initiate legal proceedings against the defaulters in the court of law & follow up for the same.
- Recognition of Competent Persons, Occupational Safety & Health Auditors,
 Occupational Health Laboratories, Safety Officer, Welfare officer and Factory
 Medical Officer under the Act.
- Framing & amendment of rules prescribed under the aforesaid Act, amendment of the Act, issue of Notifications and Orders under the said Act.

The Boilers Enforcement Section -

This section is responsible for implementation & enforcement of The Indian Boiler Act 1923 and the rules made there under. Services provided / duties include:

- Registration of boilers
- Approval of boiler related plans
- Renewal of certificate to use a boiler
- Material inspection of boilers & its components
- Annual inspection of boilers & its components
- Recognition of Boiler Attendant and Boiler Operation Engineer
- Recognition of boiler repairers, manufacturers, etc.
- Accident investigations pertaining to boilers
- Initiate legal proceedings against the defaulters in the court of law & follow up for the same.

Industrial Health Section -

- This section conducts the medical examination of the workers working in the various factories as per the requirement of the factories and also as and when directed by the Head of the Department.
- Co-ordinates Three Month Certified course in Associate Fellow of Industrial Health affiliated to DGFASLI, Mumbai.

Industrial Hygiene Section -

This section conducts industrial hygiene surveys like noise, ventilation, illumination, heat stress & work zone monitoring in the factories as per the requirement of the factories and also as and when directed by the Head of the Department.

Training Section -

This section caters to the various training needs of the factories as per the requirement.

Physical Assets - Office building, furniture and motor vehicles provided by the State Government.

Section 4 (1) (b) (ii)

Section 4 (1) (b) (iii)

PROCEDURES FOLLOWED IN THE DECISION MAKING PROCESS, INCLUDING CHANNELS OF SUPERVISION AND ACCOUNTABILITY

The Department is responsible for implementation and enforcement of the Factories Act, 1948 (Central Act 63 of 1948) and the various rules made there under, The Boilers Act, 1923 (Central Act) and the various rules & Regulations made there under and part implementation of the Manufacture, Storage & Import of Hazardous Chemical Rules, 1989 (central rules) framed under the Environment Protection Act, 1986 in whole of the State of Goa.

The enforcement of these statutory enactments is done as per the provisions of respective statutes. The system is implemented by the Inspectors appointed under the relevant statutes and there is a well defined hierarchy of reviewing and appellate authority under the said statutes.

For smooth implementation of the said Acts and the Rules, if any changes are to be incorporated the matter is put up to the Government through the Secretary (Factories & Boilers) for decision. Wherever considered desirable, legal opinion is also being taken from the Law Department. Accountability is shared at respective levels by the decision making authorities.

Section 4(1)(b)(iv) NORMS SET FOR DISCHARGE OF FUNCTIONS

The existing provisions of the Acts and rules lay down the norms regarding discharge of duties in carrying out the functions of the said Acts and rules.

Section 4 (1)(b)(v)

THE RULES, REGULATIONS, INSTRUCTION, MANUALS AND RECORDS HELD BY IT OR UNDER ITS CONTROL OR USED BY ITS EMPLOYEES FOR DISCHARGING ITS FUNCTIONS:-
